Experience

Business Operations and Insights Specialist October 2026 – Present
Expedia Group *Springfield, MO*

- Developed a REST API using FastAPI and PostgreSQL to store data from learning management systems
- Developed a full-stack web application using Flask, React, PostgreSQL and Docker to analyze GitHub data
- Explored ways to visualize GitHub collaboration in a classroom setting

Financial Operations Lead September 2025 – October 2026
Expedia Group *Springfield, MO*

- Identify and document workflow processes to improve operational efficiency to support knowledge sharing and on-boarding
- Collaborate with cross-functional teams to identify automation opportunities and translate business needs into solutions
- Support automation solutions for future growth and monitor and report on automation performance, identifying areas for improvement and optimization

Collector March 2024 – September 2025
Expedia Group *Springfield, MO*

- Support business leaders in managing accounts with a genuine desire to strengthen business relationships and find solutions
- Provide daily outreach to educate and promote Expedia Group services to global properties while collecting payment and managing credit on accounts
- Provide exceptional customer service to partners by addressing their inquiries and concerns promptly, professionally and confidentially.

Lodging Partner Associate III December 2022 – March 2024
Expedia Group *Springfield, MO*

- Researched, analyzed, and resolved complex (internal and external) issues in an accurate and timely manner by using tools and resources while maintaining ownership of the issue
- Provided top-tier service to our highest grossing partners to enhance and maintain their presence on the Expedia Group platform
- Facilitated training for peers through active shadows over a virtual and in person setting and provided check-ins as needed

Lodging Partner Associate II May 2022 – December 2022
Expedia Group *Springfield, MO*

- Re-established relationships with dormant partners by effective communication over calls, chats, and cases to satisfy pressing needs
- Daily participation in collaboration with peers and leaders to resolve critical issues
- Contributed 50K+ lines of code to an established codebase via Git
- Optimized content, rates, availability and secured promotional offers to elevate partner competitiveness

HR Specialist January 2023 – February 2024
Bass Pro Shops Corporate *Springfield, MO*

- Responsible for administration of newly hired employees, and collaborated on reasonable accommodation processes, including processing audits
- Completed and verified Form I-9 for all new hires to ensure employment eligibility
- Direct point of contact during the hiring process for managers, recruiters, employees, and payroll

Projects

Web Development | *Associate of Business and Information Technology Society* June 2020 – Present

- Developed a website by learning HTML/CSS and JavaScript
- Collaborated with other members to discuss design and technique

Refund Tracker | *Expedia Group* May 2018 – May 2020

- Developed a tracker that stores the progress of refunds to show the amount of approved, rejected, and pending refunds
- Combined Power Automate, Microsoft Forms, SharePoint, and Microsoft Outlook in a flow that tracks the life cycle of a refund and stores results on a public dashboard.
- Proposed the project and to senior leadership and delivered training to leaders and collectors
